Wear a face covering to slow the spread of COVID-19.

All faculty, staff, students, and visitors must wear a face covering that covers their nose and mouth in buildings or on property occupied by Princeton University.

This includes:
- all buildings and grounds
- University vehicles
- dining halls
- Tiger Transit buses
- parking structures.

Individuals do not need to wear a face covering when alone in a room, cubicle, or vehicle or when outdoors and able to keep at least 6 feet from another person.

Face coverings do not replace the need to practice social distancing.

If you have questions or your work does not allow for social distancing, contact EHS:
