4. COVID-19 Vaccination Status: \*

*Mark only one oval.*

I attest that I am up-to-date on my COVID-19 vaccination status because I have met the following conditions: 1) It has been at least 2 weeks after the second dose in a two-dose series, such as the Pfizer or Moderna vaccines, or 2 weeks after a single-dose vaccine, such as Johnson & Johnson **AND** 2) I have received a booster if more than 5 months since the second dose of a two-dose series or if more than 2 months since a single dose of J&J.

# Event Attestation Sheet

I do not wish to attest to my vaccination status. I have or will have received a negative test for COVID-19 via PCR within 72 hours before the start of the scheduled visit or via rapid antigen test within 8 hours before the start of the scheduled visit. At the time of the visit I will be prepared to show proof of the negative test.

I do not wish to attest to my vaccination status, but will wear a mask at all times when indoors, and will refrain from removing the mask for eating and drinking while indoors.

## 5. Visitor Expectations.

Visitors must cancel their planned visit if they test positive for COVID-19 within ten (10) days of the planned start of their visit, if they are experiencing symptoms consistent with COVID-19, or if they were identified as a close contact of an individual who tested positive within the last ten (10) days and have not had a negative COVID-19 test since the exposure. Visitors must notify the sponsoring host if they test positive for COVID-19 within five (5) days after their visit.
